Multi-Student Discount

If a family has more than one student enrolled, the tuition for the second child is discounted by 10%.

Activity Fee

A fee of \$250 dollars is due for each student by August 1, 2019. This fee covers the cost of field trips, guest speakers, and other student activities.

STEAM Exploration Sessions

The hours of formal instruction are 9 a.m. – 2:30 p.m. Monday through Thursday and 9 a.m. – 12 p.m. Fridays. Families may elect to have their child participate in STEAM (Science, Technology, Engineering, Art and Math) Exploration before and after school from the hours of 7:30 – 9 a.m. and 2:30 – 4:00 p.m. This option is also available on Friday afternoon based on demand. The cost to participate in STEAM Exploration is \$5.00 per session per student M-Th and Friday morning, and \$10.00 per student Friday afternoon. The cost is billed monthly. STEAM exploration is an enrichment opportunity that builds upon what students learn during the regular school day. Students who do not participate will not miss any new information in relation to their coursework.

Family Participation

Silverleaf School is a community. Families are encouraged to participate and contribute to the community of the school through volunteer hours. Each family contributes 10 volunteer hours to a variety of activities such as in-class participation, fundraising, project prep work, etc. Families unable to contribute time may opt out of Family Participation for \$250. If electing to opt out of Family Participation, the opt-out fee is due by December 30, 2019.

Smart Aid

We offer SmartAid to families who need tuition assistance. This is a work exchange program where families receive a credit applied to the cost of tuition at a rate of \$22.00/hour for work performed in support of school operations and programs. This waiver does not apply to registration or activity fees and is not applied to family participation hours.
